**Customer Approval**

I authorize Bank of America to transfer my funds as set forth in the instructions herein (including debiting my account if applicable), and agree that such transfer of funds is subject to the Bank of America standard transfer agreement (see disclosure pages of this form) and applicable fees. If this is a foreign currency wire transfer, I accept the conversion rate provided by Bank of America at the time the wire is sent.

For a Consumer International wire: We rely on you, the customer, to inform us of the currency of the receiving account (denoted under 'Currency of Recipient Account') so that we may disclose the exchange rate for conversion in the wire process. If you chose to send USD rather than the foreign currency of the account, we will honor your choice, however, we will not be able to provide exchange rate information. Additionally, so that we may provide required disclosure, we will not be able to provide exchange rate information until we provide you the Remittance Transfer Receipt (RTR). If you leave prior to receiving the RTR, we will not be able to provide exchange rate information.
